

# Orchid Society of Northern Nevada

Established in 1985 – 34 Years of Growing

President's Message:

April showers bring May flowers. There is sunshine in the forecast.

See you on Thursday.

## OSNN Meeting

Thursday, April 4, 2019 @ 7PM (6:30 social)

Moana Nursery Design Center

◆ Jonathan Robbins ◆

**“How to ask the right questions to be your own orchid expert”**

Jonathan will discuss how to vet all the information swirling around us both in person and online and how to either ignore it or apply it to your growing conditions and circumstances so you can be successful. He will discuss many misconceptions and realities of growing orchids in various conditions and go over the major topics of orchid growing and how to figure out for yourself how to select the correct pot, media, light level, fertilizer, etc.

**Flori-Culture Orchid and Specialty Growing Supply** serves both the professional and hobbyist specialty growing community. Flori-Culture stocks habitat supplies for Orchids, Carnivorous Plants, Bromeliads, Tillandsias (air plants), Begonias, Succulents, Tropicals, and more. Jonathan has been growing orchids and such for over 20 years and uses his experience to seek out the best. In 2014, he purchased Calwest Tropical Supply, an established online orchid and tropical growing supply company. He moved it to Sacramento, CA, and changed the name to **Flori-Culture Orchid and Specialty Growing Supply** to reflect his commitment that the culture of growing flowers and ornamental plants has great importance in our daily life and deserves the best that we can provide.

If you're in Sacramento, come and see the recently created **misty jungle nursery of beautiful and unusual plants** for your enjoyment, purchase, and inspiration. Jonathan just added a second greenhouse. His greenhouses are filled with species you'll never see at Trader Joe's.

**JONATHAN will bring orchids for the RAFFLE table from his unique collection.**

**He will have both orchids and orchid supplies for SALE.**

**If there are specific items you want, contact him at [sales@Flori-Culture.com](mailto:sales@Flori-Culture.com).  
If his website shows some items out of stock – ignore it as everything has just been restocked.**

**We will have our OSNN-members-only potluck dinner with our speaker. 5:00 PM at 2835 Juliann Way (Taeko Heiser 827-2934). If coming from work, just show up as there will be plenty of food.**
